THE LIBRARY OF THE
AUG 2 8 1957
UNIVERSITY OF ILLINOIS

GENERAL INFORMATION

This announcement is prepared for teachers who live within commuting distance of the Urbana campus and who wish to take graduate work on Saturday mornings or in the evenings during the academic year 1957-58. The information given here should be supplemented by that found in the regular Graduate College bulletin, which is published every two years, and in the Time Table of courses which is issued for each term. Copies of these publications can be obtained from the Graduate College Office, 109 Administration Building (East).

Teachers employed full time may accumulate up to one unit each semester in campus courses, extramural courses, or a combination of the two. Such courses are not considered work in residence. It is the responsibility of the student to check the residence requirements for the degree desired, if he expects to be a degree candidate.

New Students

You can register only if you have applied for admission and have received a permit to enter. Admission forms may be obtained from the Graduate College or the Office of Admissions and Records. If you wish to avoid unnecessary delay and confusion on the day you register, you should submit these forms to the Dean of Admissions and Records at least four weeks prior to the registration period.

Former Students

If you were registered in a campus course in the second semester of 1956-1957 or in the 1957 Summer Session, an authorization card will be prepared for you automatically. However, if you have not been registered for one or more terms you must submit an application for readmission, as early as possible, preferably four weeks before the registration period.

REGISTRATION

Graduate registration will take place from Wednesday, September 11, through Saturday, September 14. Instruction begins on Monday, September 16. A penalty fee of $5.00 will be assessed former students who register later than Saturday, September 14, except that teachers not living in Urbana-Champaign who wish to enroll for a Sat-

urday morning, late afternoon, or evening course may register Monday through Friday, September 16 through 20, from 8:00 a.m. to 12:00 noon and 1:00 to 5:00 p.m., and on Saturday, September 21, from 8:00 a.m. to 12:00 noon, without payment of this fee.

ADVISERS

Each new student must consult with an adviser and plan a program of study before registering for his first course. A student who wishes to major in education should call at 105 Gregory Hall to select an adviser in the area of specialization. A secondary school teacher who wishes to enroll in one of the fifth-year curricula in the teaching fields should consult with the appropriate adviser as shown below.

THE ... OF THE
APR 13 1961
UNIVERSITY OF ILLINOIS

GENERAL INFORMATION

This announcement is prepared for teachers who live within commuting distance of the Urbana campus and who wish to take graduate work on Saturday mornings or in the evenings during the second semester of the academic year 1958-1959. The information given here should be supplemented by that found in the regular Graduate College bulletin, which is published every two years, and in the Time Table of courses which is issued for each term. Copies of these publications can be obtained from the Graduate College Office, 207 Administration Building (East).

Teachers employed full time may accumulate up to one unit each semester in campus courses, extramural courses, or a combination of the two. Such courses are not considered work in residence. It is the responsibility of the student to check the residence requirements for the degree desired, if he expects to be a degree candidate.

New Students

You can register only if you have applied for admission and have received a permit to enter. Admission forms may be obtained from the Graduate College or the Office of Admissions and Records. If you wish to avoid unnecessary delay and confusion on the day you register, you should submit these forms to the Dean of Admissions and Records at least four weeks prior to the registration period.

Former Students

If you were registered in a campus course in the first semester of 1958-1959, an authorization card will be prepared for you automatically. However, if you have not been registered for one or more terms you must submit an application for readmission as early as possible and preferably four weeks before the registration period.

REGISTRATION

Employed teachers may register on Saturday, January 31, between 9:00 a.m. and 12:00 noon. University offices will not be open for registration on any other Saturday during the second semester. The regular graduate registration period is from Monday, February 2, through Wednesday, February 4. Instruction begins on Thursday, February 5. A late registration fee of $5.00 will be assessed former students who register after instruction begins.
